 - New onset of cough or worsening chronic cough
 - Shortness of breath
 - Decrease or loss of sense of taste or smell
 - If 18 years old or older: unexplained fatigue/lethargy/malaise/muscle aches
 - If under 18 years of age: nausea/vomiting, diarrhea
2. Has the patient tested positive for COVID-19 in the past 10 days or have they been told they should be isolating?

B) WHAT YOU NEED TO KNOW FOR YOUR APPOINTMENT

1. Masks MUST be worn by anyone entering the office as we are a healthcare facility.
2. When you arrive, please wait in your vehicle until you are instructed to come in (Via text or a call to your cell). If you do not have a phone, please come to the front entrance at YOUR APPOINTMENT TIME.
3. When you come into the office, you will be greeted by one of our team members in the entrance way to complete the required screening process (Pre-screening Questions listed above).
4. Once screening is completed, you will be taken directly to your treatment room.

C) THE DAY OF YOUR APPOINTMENT

- You will receive a text or email with instructions as to what to do when you arrive.
- If you do not have a cell phone to contact the office when you arrive, come to the front door AT THE TIME OF YOUR APPOINTMENT.

We look forward to seeing you soon!
